

**LEARNING CONTRACT: Part II
PRACTICUM II: STUDENT SELF-ASSESSMENT OF PRACTICUM LEARNING**

The student self-assessment should include:

1. A review of stated learning objectives for the quarter.
2. A reflection on progress towards achieving stated learning objectives.
3. An overview of how the identified learning activities contributed or did not contribute to progress towards stated learning objectives.
4. A description of serendipitous learning that may have emerged from the field experience.
5. A reflection on successful achievement of HSP 341 Learning Outcomes as outlined in the syllabus.
6. A reflection on development as a human services professional, including analysis of knowledge, skills, dispositions, and cultural competencies.
7. A self-assessment of overall performance as a practicum student.
8. An assessment of the supervision and support received from the Field Supervisor and Agency/Organization.
9. A description of plans for Internship I (HSP 440).
