

**LEARNING CONTRACT: Part II**  
**HSP 440: STUDENT SELF-ASSESSMENT OF INTERNSHIP**  
**LEARNING**

*The student self-assessment should include:*

- 1. A review of the student's stated learning objectives for the quarter.*
- 2. Student progress towards achieving learning objectives.*
- 3. An overview of how the identified learning activities either contributed or did not contribute to the student's progress towards his or her learning objectives.*
- 4. Any serendipitous learning not anticipated that may have emerged from the field experience.*
- 5. A reflection on the student's development as a human services professional including analysis of knowledge, skills, dispositions, and cultural competencies.*
- 6. A self-assessment of the student's overall performance as an internship student.*
- 7. An assessment of the supervision and support the student received from the Field Supervisor and Agency/Organization.*
- 8. A description of plans for next internship (HSP 440) or future career plans.*
