

Preparing, thoughtful, knowledgeable,  
and effective educators for a diverse society

## Secondary Education Department Master in Teaching (MIT)

Miller Hall 400 • 360/650-3327 voice • 360/650/7516 fax • [www.wce.wvu.edu/depts/sec](http://www.wce.wvu.edu/depts/sec)

This program is designed for those wishing to complete a master’s degree while gaining Washington residency teacher certification for middle and high school.

### Admission

The on-line application and instructions can be found on the Graduate School website. All documentation is submitted to the Graduate School; and once application files are complete they are forwarded to Secondary Education. Candidates recommended for admission by the Secondary faculty are asked to complete a supplemental Woodring College application, be fingerprinted and complete an FBI character and fitness check. Materials and instructions are provided when candidates are notified of their recommendation for admission.

### Graduate School Requirements:

- transcripts from all post-secondary institutions attended.
- a minimum 3.0 grade point average for the most recent 90 quarter or 60 semester credits, including upper division post baccalaureate coursework.
- Graduate Record Examination general test with a combined minimum score of 1000 on the Verbal and Quantitative and minimum of 4.5 on the Analytical; or Miller Analogies Test with a minimum score of 410. Applicants who hold advanced degrees (i.e. J.D., Masters, Ph.D.) are exempt.
- three letters of recommendation which address: 1) your educational potential to do graduate level coursework; 2) your successful experience with adolescents and diverse populations; and 3) character and maturity.

### Additional Woodring Requirements:

- Endorsement/Credit Requirements: Applicants must have completed a bachelor’s and a minimum 80% of required endorsement coursework. Before applying to this program applicants should: 1) review the Endorsement Program section of the website <http://www.wce.wvu.edu/Resources/Endorsements/> and 2) complete an endorsement evaluation self-assessment to determine what additional coursework may be required. Applicants with questions about endorsement requirements may contact [dana.edward@wvu.edu](mailto:dana.edward@wvu.edu).
- Resume
- take and pass the WEST-B. This test is offered 6 times per year at various sites in Washington State. Visit the WEST-B website [www.west.nesinc.com](http://www.west.nesinc.com) for further information. Applicants residing outside Washington State at the time of application may substitute acceptable scores on the Praxis I or Oregon or California CBEST.
- A personal statement that describes your experiences and background as they apply to the teaching profession. The Secondary Education faculty believes experiences with adolescents and diverse, multi-cultural populations benefit prospective educators. Please describe your experiences with these populations and reflect on what you learned, how you were challenged, and how these experiences have developed your potential as an educator.
- completion of an English composition course with a grade of B or higher.
- \*a required interview by Secondary faculty on Western’s campus. **Only applicants residing outside driving distance of WWU at the time of the interview may request an alternative. Such requests must be submitted a minimum of 30 days prior to the interview dates listed below.**

*Consideration in the admissions process will be given to applicants with endorsements in academic areas of current critical need.*

**Completed applications with supporting materials must be received in the Graduate Office as follows:**

Fall quarter.....April 1  
 Winter quarter.....October 1

*\*Tentative Interview Dates – Please be available for one of the options  
Fall Quarter – the last Friday or Saturday of April;  
Winter Quarter – the third Friday or Saturday in October.*

## Advising and Scheduling

New students will attend a required orientation prior to the first day of classes and be assigned a graduate faculty advisor to assist them with program requirements and course planning. The Secondary MIT is a day-time program. Students must be prepared to attend full time the first quarter in the program; subsequent quarters may allow more flexibility in scheduling.

The MIT program is usually completed in approximately two years. **The MIT will be awarded only to those who successfully complete all requirements for residency certification, including a passing score on the WEST-E and a successful student teaching internship. No other master's degree options are available.**

## State-Approved Endorsable Academic Majors

*All academic departments require content methods courses; many require additional coursework beyond the baccalaureate degree.*

Secondary Level (Middle and High School)		All Levels (P-12)
