Last Quarter	
SPED 498 OR 499 Internship – Special Ed (16)	

- Before enrolling for practicum, read **Planning for Practicum**

† Writing proficiency class

Completion of a major in Special Education S generally requires 7 to 10 quarters from time of admission. Variables that may increase the length of time required for completion of the program include successful completion of all prerequisites, GUR courses and the type and number of endorsements sought. In addition to the course sequence suggested here, a number of additional activities and competencies are required. A checklist for these activities is on the back of this page.
