Students accepted into the Western Washington University Elementary Education Endorsement Program will have opportunities to work in public or private schools with students, teachers, administrators, and parents. 2. for the commission of a crime against the laws of the State of Washington.
3. if the student exhibits unprofessional conduct which interferes with the ability of the student or any faculty member to perform his/her job.

Furthermore, I understand that:

- Information received concerning the student may be shared with the school district to determine if a placement can and should be made, or if a placement should continue.
- Ultimately, Woodring College of Education cannot override the decisions of school districts, and practicum placements are dependent on school district approval.
- Acceptance into the program and completion of the program does not guarantee granting of a Washington State Elementary Education Endorsement.
